ABOUT UNIVERSAL TRUCK

Our team lives and breathes logistics. Our leaders have decades of experience providing technology-enabled solutions for challenging logistics requirements. We work as trusted collaborators with the UAE's most successful companies.

Customs Clearance and Forwarding of Containers from UAE Ports to Your Warehouse

We provide comprehensive customs clearance and forwarding services for containers originating from UAE ports and destined for your warehouse. Our expertise ensures a smooth transition of goods from the port to your facility. Additionally, we offer efficient road transportation solutions to GCC countries, further enhancing our end-to-end logistical support.
